School Board unhappy over 'used' portables

The Public School Board met at the board room of the District #3 offices Monday night.

Main topic of discussion was the proposed new school in the Braeside area. The original intention of the board was to acquire a 16 room traditional structure. However, the School Buildings Board proposed the new concept of a Community Core Building with eight permanent rooms and eight portables. The Board members were hesitant at first to

accept this idea. The basis of their concern was the style and age of the portables. It appears that their reservations were justified as the School Buildings Board have indicated that any available portable regardless of location, design or age will be used.

The general feeling of the board is that a fine modern structure of eight rooms will be built and a pot/pourri of portables added. Apart from the aesthetic aspect, portables built 10 or 15 years

ago have different heating and maintenance systems to buildings being constructed today. "The situation would be similar to a person building a \$50,000 home, said Dave Fraser and then being made to add a lean-to shack to the side of it."

After approximately six prior meetings with the School Buildings Board the members of the School Board approached Mr. Ernie Jamison, MLA to provide assistance in obtaining suitable accommodation. Mr. Jamison was in attendance at this meeting and had been in touch with the Minister and his ministerial assistant.

A motion was passed that Board Chairman, Ernie Howrsh, Trustee Dave Fraser and Mr. Jamison meet with the Minister of Education, and on Tuesday an appointment was made for the meeting with the Hon. Lou Hyndman on Friday of this week.

Mr. Jamison was optimistic that the Board and the Department would be able to arrive at an amicable agreement.

The time element is important because the new school is needed by September of this year.

More Books Needed For Simpson Fair

The committee in charge of the annual Book Fair at St. George Simpson School reports that they are still in great need of used books—particularly for adults. Any local residents who could help out may take the books to the school, or can have them picked up, by telephoning Pat Romanov at 459-7312, or Anne Hapchyn at 459-3606.

It is a good opportunity to clear cupboards and book

shelves of such paperbacks, hard covers, magazines and comic books as are no longer needed. By visiting the Fair on Feb. 13 or 14, people can pick up some new reading material at nominal cost (like 25¢ or less).

The Book Fair attracts large crowds each year and book lovers will enjoy it. So please take some time to ease your household and see if you can help out with some used books or magazines,

Heart Line — over 4,400 calls

St. Albert shares with Calgary the distinction of being one of two points in Canada to

have a Heart Line. The Heart Line number is 458-1218 and the service went into effect

on January 7, 1974.

A recorded message will inform a listener, "Don't eat your heart out!" and citizens in the Edmonton area will receive advice on diet and nutrition. Messages are changed each Monday and topics include: facts on cholesterol control; weight control eating in restaurants and entertaining; recipes and other cooking hints.

The Heart Line is sponsored by the Alberta Heart Foundation and it is a joint project of the Alberta Heart Foundation, the Consumer Market Section of the Alberta Department of Agriculture, and nutritionists on the local Boards of Health in Edmonton and Calgary. Statistics prove that 45,000 middle aged men die of coronary disease in Canada each year.

Since the project began, some 4,400 calls have been made on the Heart Line. St. Albert Kinettes and Lady Lions will be staging a blitz on February 19 in aid of the Heart Fund Campaign.

Linda Stewart of the Kinettes Club feeds messages in the recording machine which serves the heart line in St. Albert. The unit is in operation at the Stewart's home on Vital Avenue. Linda is supplied with the information by the Alberta Heart Foundation.

Joyce Reddy offers a few suggestions on the contribution of entertainers to hotel operation to a receptive Sam Shapiro, while Manager Jim Gregg enjoys the exchange. After giving lounge guest Harry Hutchings a few tips on modern dance Joyce thought it would be fun to have her picture taken with St. Albert's popular 'Newfie', while on a short visit to the lounge at St. Albert Inn Friday evening. She was accompanied by Maureen Sammers of Guild Hall Productions.

Well Known Entertainer Visits St. Albert Inn

Joyce Reddy, well known dancer and singer with the stage version of the "Pig'n' Whistle" show dropped in at St. Albert Inn Friday between shows at the Embers, where she is currently performing four shows daily. Jack Hennig, currently playing at the Inn Lounge, who has just released the album "Jack Hennig Sings" with Book Records was pleased to have his attractive friend catch his show, and afterwards owner Sam Shapiro with Manager Jim Gregg took time out to show Joyce around the new hotel.

She was impressed with the surroundings and the "friendly atmosphere" of the hotel and enjoyed meeting some local patrons, including the well-known businessman, Harry Hutchings.

When Joyce had to leave for her own show at the Embers, assistant manager Frank Kousineau volunteered transportation. Miss Reddy was choreographer and lead dancer for the 1971 summer season of 'Gaslight Follies' in Dawson City, Yukon and her work has taken her from Vancouver to Montreal and north to Inuvik and Yellowknife, as well as the United States, Italy and England.

Miss Reddy, who was born in Devon, Alberta, is at present considered Edmonton's top 'single' performer. He has performed at Nashville, Tennessee and done some recording work there, and on the Gaby Haus Show a number of times.

Town Population Up 22 Per Cent

St. Albert's population grew by 3,307 persons last year, at a percentage rate of 21.9. This compares with an increase last year of 2,451 or 19.4 per cent.

The increase shows up in every age category in the census report, where figures are tabulated for under one year, 1, 2, 3, 4, 5, 6 (being pre-school six year olds) and the age group 6-18, such tabulation being made for purposes of school planning.

Increase of persons under 18 years was 1,369, and the increase in the over 18 category (total electorate) was 1,938. The increase in student population the previous year was 935.

Growth is also reflected in the figures showing persons living in St. Albert and employed in St. Albert, which now number 1,371, up by 281 persons from last year.

North Central teachers plan large convention

The North Central Teachers will have Doris Anderson, Editor of *Chetelaine*, and Professor John Friesen of Calgary as keynote speakers at their convention being held February 7 and 8 in the

Macdonald Hotel and Chateau Lacombe.

Over 2,500 teachers will be attending the largest non-university convention in Western Canada to discuss educational needs, issues and problems.

They will come from St. Albert, Districts #3 and #6, Sturgeon School Division, Burnhead, Leduc, High Prairie, Lac Ste. Anne, Westlock, Wetaskiwin, Strathcona and Parkland counties.

"1984 minus 10" is the theme of the convention based on the famous book by George Orwell in which he painted a bleak picture of things to come, some 25 years ago.

It appears we are getting there, and Orwellian predictions are coming to reality, said convention president Kenn Tuckey.

The serious communications gap that exists at all levels will be discussed by Doris Anderson, and Professor Friesen will speak on "Developing a Profession for the Seventies."

The program committee of the convention has planned a very diverse program. Over 50 speakers will address just as many sessions during the two days of the convention. Most of the speakers are Albertans, some of them from within the convention area.

Three in-depth sessions for primary teachers will be held at the Star of the North Retreat House in St. Albert. Participants in these sessions will be in residence there.

The trustees' luncheon, a regular highlight of the convention, will be held on Friday noon in the Macdonald Hotel.

Tax Tips Column

amount covered by the certificate for the immediately preceding period.

Q. What does the Guide mean when it says tuition fees claimed must be supported by attaching to the return the approved form or certificate issued by the educational institution?

A. Certain requirements must be met before the claim for tuition is acceptable. The educational institution will issue to you a tuition certificate with the necessary information for income tax purposes. Counter or cash receipts are not acceptable.

Q. I am a student at a Canadian university. How do I calculate the tuition fees allowable?

A. Tuition fees supported by the proper certificate may be claimed for any 12-month period beginning in the taxation year, which means for 1973 you could claim either on the calendar year or the academic year 1973-74.

Q. I am a student at university and have a part-time job which becomes a full-

time job during the summer months. My earnings are more than \$1,800 a year. I pay my own tuition fees out of my earnings and understand that I can deduct these fees from my income for tax purposes. If I do this, my income will be reduced to under \$1,300. Does this mean that my father can claim me as a dependant?

A. Yes, if your father supported you during the year. However, the \$350 exemption is reduced by the amount that your income exceeds \$1,150. Example:

Maximum exemption . . . \$550
Deduct income over
\$1,150 (\$1,300 less
\$1,150) \$150

Allowable
Exemption \$400

In addition, a special exemption of \$50 a month is allowable for full-time trainees and students attending a wide range of schools and post secondary institutions.

Teens will conduct survey

A group of interested teens and parents met at the Clubhouse on January 31 when the topic for discussion was "What can teens do in St. Albert?"

The teens have formed an interim council and they held a meeting on Monday, Feb. 4. It was decided to work on a survey with the help of teachers throughout the schools.

This survey will be taken at the two junior highs and the senior highs. When it is decided what activities the students are most interested in, the group will approach council and express their interest in obtaining council's help in locating a facility.

Interested parents and teens may phone Donna Satszenski at 459-4406 for further information. Donna is AYMCA community worker at Paul Kane High.

Perreault - Berard Wedding

Father Jacques Joly performs the wedding service for Jean Baptiste Perreault and the former Mary Berard in the Mission Park Chapel. Attending the couple are Clara and Bruce Barber, daughter and son-in-law of Mr. Perreault.

Father Jacques Joly conducted the wedding service for Jean Baptiste Perreault, 81 years, and the former Mrs. Mary Berard, 68 years, of Athabasca, in the Mission Park Chapel at 4 p.m. Saturday afternoon, Feb. 2nd.

The bride and groom were attended by Mr. Perreault's daughter and her husband, Clara and Bruce Barber of Edmonton. Wedding music was provided by Bernice Willas and Doris Tellier.

Following the ceremony an Open House reception was held for family members and a few close friends at the Barber's home, and the couple received many lovely

Mr. Perreault was born and raised in St. Albert and worked for many years at the local flour mill. His father

Letters to the Editor

Enjoyed visit

The Editor:

My husband and I are returning to Liverpool, England, on Saturday, Feb. 2, after staying with our daughter and son-in-law, Lyn and Len Hobson, since October 7. We have had a very happy visit, in spite of the winter weather being the worst for eight or nine years, so local people tell me.

On October 30 our Canadian grandson, Michael John, was born. It has given us great joy to share his first three months.

We have been entertained by a number of people and we would like to thank the kind neighbors in Lester Crescent who made us so welcome in their homes.

Our thanks also to Mrs. Szuba who asked us along to the Senior Citizens meetings where we had a wonderful time at two meetings, and were given an invitation to the Christmas party. We gladly accepted and the evening was a great success due to the enthusiastic efforts of the Lady Lions. Their men folk also helped. I'm sure, judging by the number of males in splendid regalia who were present. We were glad to accept transport home from one of them. The weather was the only unkind element that night! We have read the Gazette each week since we have been here and it has been wonderful to read of the voluntary work

done by the Lions and Lady Lions.

We were delighted to meet Mrs. Hughes and Mrs. Smith of the St. Albert School of Dancing who provided the entertainment at the party. It was nice meeting someone from our home town and as I am pianist for a children's dancing school in Liverpool, it was interesting from that angle, too. I have since been along to see Mrs. Hughes and her pupils at their studio where I spent a very happy time and was again made very welcome. Everyone has been very kind and helpful, and although it will not be easy to leave 'our family' behind, we will go with very happy memories, hoping that we will be able to make another visit in the not too distant future.

Our thanks to everyone.

Gertrude Freeman.

DON'T LET IT BUG YOU DEAR...WHEN IT COMES TO DEBTS YOU'RE RIGHT IN THERE WITH THE BEST OF THEM.....

Transportation idea

The Editor:

We have seen the population of St. Albert increasing by leaps and bounds with the Town opening up new subdivisions in rather quick succession to each other. I suppose that it is not illogical to assume that most of these newcomers have their place of work in Edmonton and must perforce use the

only practical highway into the City.

Those who have travelled the road regularly over the past few years will readily agree how the traffic density has increased drastically. There is an urgent need for a second means of ingress into Edmonton, and I suggest that the Town Planners Department and the Province of

Alberta consider this before opening up further new areas of residence.

Since the question of rapid transit has been kicked around for some considerable time now, I would like to see a feasibility study made of using the existing CNR tracks from St. Albert to Edmonton for commuter use. This line is not used

extensively by the CNR, and might appear possible to investigate a train commuter service to Edmonton serving high density areas such as St. Albert, the Bonaventure and Inglewood. The idea is not as impractical as one might think.

G. A. Peters,
Sturgeon Heights.

More Post Bus

A reader bought us this picture of a post bus from an English magazine "Woman's Own" published in London, after reading an item in this column recently on how such buses are being given joint use in England and Scotland to transport both mail and passengers.

Two women, Mrs. Dorothy Baldwin, a pensioner, and Mrs. Irene Jackson, in Coldharbour, Surrey, were both concerned with the problem of the many old people marooned in their homes in remote areas, with no cars, no trains and no buses. After the only village shop closed down, Mrs. Jackson wrote to the local council asking them to subsidize a bus service, then to the Ministry of Transport and finally to the General Post Office.

The result is a smart post bus which can pick up 11 passengers for the new service. The day the photo was taken Mrs. Baldwin took another pensioner out for a birthday treat in nearby Dorking, and when the bus stopped at Coldharbour, an elderly lady came out with a cook drink for the driver. "That's what village life is all about," said the magazine article. "It's made such a difference," said Mrs. Jackson, "other cut off villages should take up the cause."

Bad Ads

People who find television ads offensive should telephone or write the station and protest. Two that bug us are the one showing the man being married to a battery - using wedding service phrases and ending with a sexy chick in fur coat running up to congratulate with a kiss after the 'Service'; and the recent ad for the movie, Walking Tall. "See the story of a REAL MAN," it urges - while showing a picture of him with gun outstretched shooting. With the fearsome spectre of increasing violence facing us, this type of applauding (let alone condoning) violent behavior is disgusting.

APRIL AID

The income tax help system and how to make it work for you.

As you know by now, we changed a lot of things last year. We gave you a new return, a new Guide, several new deductions and a few new rules. And quite honestly, we were more than a little concerned about your reaction to it all. (And very, very interested in your opinions.)

Well, now that we've had time to really look back at it and assess it honestly, it appears that most taxpayers did not seem to find it too difficult. The error rate did not accelerate greatly or change drastically from former years. Generally, most taxpayers seemed to handle their new returns fairly well.

However, Income Tax will never be the easiest or most enjoyable thing in anyone's life. And it will always present problems in some areas, for some people. That's expected and understandable.

So, what we want to do now is really work on those problem areas. And the best way to do that is to work with you, individually, on whatever part of Income Tax that causes you difficulty.

And that's what April Aid is all about. It's a help system and its primary objective is to ensure that you get the help you need help with, you can get it. And know how to get it.

INCOME
TAX
GUIDE

And this is how it works:

First, Your Guide is always the best answer when you have a problem. Read it. Follow it. It not only gives explanations, but in many cases, examples of just how to figure something out.

Second, If you're still confused or something just doesn't seem to work, phone. The number of your own District Taxation Office is below and at the end of that number there are people whose job it is to help taxpayers with problems, by telephone. And on Mondays and Tuesdays phone lines are open 'til 6 p.m. So don't hesitate.

If you live outside the office area, call the Operator and ask for Zenith 0-4000. She will automatically connect you to your own District Taxation Office. Remember, all calls are free, all questions are answered, and if you have queries, we want you to call.

Third, Some people prefer to talk things over in person. If you're one of them and have problems, drop by for free help. Anytime. The address of your District Taxation Office is below.

Fourth, Write. To the address below. Explain your problem as clearly as possible and include all information. (And your return address, please.) In return, we'll answer all letters as quickly and clearly as possible. Remember - if you need help, it's there. (And free.) And all you have to do is ask.

April Aid.
The Income Tax help system.
Let's make it work for you.

Together,
we can get it
done.

Toussaint Terrault passes suddenly

Mr. Toussaint Terrault, a district pioneer and lifetime resident of St. Albert passed away suddenly at his home January 17, 1974.

Born October 25, 1905 at the family homestead, four miles north of St. Albert, he and his four brothers attended the nearby Gilbeau School and eventually all settled in the area.

Farming in his blood, Toussaint purchased a quarter of land from the Oblate Fathers and began his own operation. He married Lucy Damery December 28, 1935 and the couple settled at their farm 3 1/2 miles north of town. Though he enlarged

his farm from time to time, the original farmstead always remained his home.

Funeral mass was celebrated by Father Colin Levangle at St. Albert on Jan. 21 with interment in the St. Albert cemetery. Father Levangle was assisted at mass by four of Toussaint's grandsons.

Mr. Terrault was predeceased by his brothers Paul and Rene. He leaves to mourn his loving wife, Lucy; one daughter Mrs. R. (Germaine) Pinco and two sons, Donald and Laurent, all of St. Albert; another daughter Mrs. A. (Sheila) Brandle of Slave Lake; two brothers, Henry

and Emile, and 13 grandchildren.

The family wishes to thank Father Levangle and all relatives and friends for their kindness, expressions of sympathy, and mass offerings during their recent bereavement. Gratitude is also extended to the pallbearers, Ernie Bokenfohr, Jim Sharpe, Paul Soulodre, Dave Terrault, Casey Valkenburg and Charlie Wood.

LACFA will meet here

The French Canadian Association of Alberta has been invited to hold their February meeting in St. Albert by the Cultural Co-operative Committee of St. Albert. The meeting will take place on Monday the 11th at 7:30 p.m. in the basement of the Catholic Church in the Lacombe Room. Members and all residents who are interested in the French Canadian Culture are cordially invited to attend.

At present L'A.C.F.A. is searching for a candidate for "Mademoiselle Cabane a Sucre" who will reign over that popular event on April 27. Anyone wishing to enter the contest may phone 429-6761, Helene Prescott-Robb before the 7th of April.

Mr. Guy Pariseau, producer of CBXFT, Channel 11 and president of the French-Canadian Association of Alberta, Edmonton Region since November 1973.

Are you a "people" person?

Then maybe you'd enjoy a job where you'd be constantly meeting new people.

Perhaps you're pretty successful in your present job but would like something with possibly more scope and more challenge—where you'd have the opportunity to earn more and work the hours you choose.

As one of the country's largest insurance companies, we've been helping Canadians for more than 100 years. And now we're looking for more people to represent us. Maybe a career in insurance is the furthest thing from your mind. But if you're a "people" person, call and make an appointment to talk it over with us. Because people are what our business is all about.

Win Playdown Berths

Two St. Albert rinks won berths into the Northern playdowns last week. Nancy Glatster, with Cindy Oakes, Cindy Cairns and Laurie MacGregor will play their first game in the Girls Curling Northern at Ottewell Rink Friday.

Qualifiers in the Edmonton area Schoolboys for Northern playdown were Skip Brad Hoosier with Gary Greening, Larry Chyzik and Don McKenzie.

church program Mall display

Ten Days for World Development is the joint educational program of the relief and development agencies of five Canadian churches. The ten days highlight originated last year in March when five Canadian church leaders took ten days to visit several major cities in Canada taking their message to the public, government leaders, business and labour.

Their message was simple "The problem of world poverty and disparity is urgent but not hopeless. Something can be done but it must be done soon. Canadians such as you and I can play a vital role. The answers are becoming more evident and the onus is on you and me to become more aware and better informed and to act on this awareness according to our Christian conscience."

This year the program is being enlarged upon by church committees right across Canada in order to increase understanding of world needs, world development - an immense topic in total. Some aspects of Africa were chosen as an example of problems that face many emerging nations in today's world. In many ways we in Canada may be a lot closer to Africa than we realize. For instance, what would we do without that great life saver the morning cup of coffee? Do we ever stop to wonder about the worker in Africa who picks the coffee beans or those involved in producing the endless variety of chocolate bars that are readily available to us?

The teacher, after a rough day in school sighed, "If there is anything in reincarnation - I hope I come back as a childhood disease!"

Visitors to the Grandin Shoppers Mall on Saturday learned some interesting and some disturbing facts about life in the poor countries of the world. The display was organized by local churches to emphasize the Ten Days for World Development education program, a joint project of five Canadian churches, which began last year. Mr. Yasu Hiratsuka, who was in charge of the display, talks about the program to visitors.

- providing furniture and equipment at an estimated cost of \$45,000.00
- in the Lacombe Park Sub-division of St. Albert

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

CHARLES E. SCHRODER,
CHAIRMAN.

Dated at St. Albert, Alberta
this 29th day of January, 1974.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BYLAW
IN A DISTRICT

SCHOOL DIVISION - (Sections 2 (e), 3 and 104 - The School Act, 1970)

"Elector" for the purposes of petitioning for a vote on a debenture bylaw means a person:

- 18 years of age or older,
- who is a Canadian citizen or British subject, and
- resident, in the case of petition, in a district or division for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforementioned borrowing may be demanded in a School District Division by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (e), 3 and 104 of The School Act, 1970.

The petition must be signed by at least

- 2 per cent of the electors in a district or division having 10,000 electors or more, or
- 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
- 15 per cent of the electors in a district or division having less than 500 electors, and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

DON'T BOIL A QUART FOR A CUP OF COFFEE!

Every time you plug in your electric kettle, you're spending electricity. Naturally it takes less power to boil less water. So boil only the amount you need. When not in use, be sure your kettle is empty. This prevents build up of calcium deposits. A clean appliance works better and costs less to operate.

A SECOND LOOK

Program for Women who are contemplating furthering their education and or changing their role in life through voluntary work or through embarking on or resuming a career. It would be of interest to those whose family needs have changed, or who are contemplating a change as the results of retirement or job displacement.

The emphasis will be on self understanding and the realization of ones creative potential as a person.

Participants will be provided with personal ability and interest tests, and will have opportunities in group settings to discuss and examine their goals, skills and abilities, as well as the possibilities for their use in the community.

Information of various opportunities in education and voluntary and paid employment will be provided by Resource Personnel as the groups decide.

Date of Commencement - Starting February 18 - 7:30 to 9:30 lasting 12 Mondays.

PHONE - 432-5055 DAYS OR - 432-3116 EVENINGS.

The Marilyn Johnston Rink was feted last Wednesday evening at the curling rink lounge, before leaving for the Provincial playdowns in Fort MacLeod. Art McCormack presented each of the curlers with bouquets, on behalf of the Mens Club. Mayor Gibbon made a presentation of plaques on behalf of the Town, Betty Fenton presented each with a cheque for \$100 from the Ladies Club and the Northern Alberta Ladies Curling Association also presented \$100 dress allowance. Mrs. Hansen, president, made that presentation. A good turnout of curlers was presented, despite the fact that temperatures dipped to 40 below and the ladies provided lunch. Elaine Sauness left, Irene Fielder, Mary Schultheiss and Marilyn won their first game in Fort MacLeod Tuesday morning, upsetting the defending champion, Pauline Beaton of Medicine Hat 9-6.

Leduc upsets Comets Scott blows his top

Fourth place Leduc Oilers handed league leading Jasper Auto Parts Comets their fifth loss of the season in Edmonton Central Hockey League action, Comets in a first place tie with Sherwood Park Broncos lost 8-6 Sunday night in St. Albert to Leduc who came on strong in the second period scoring three unanswered goals. Barons also were upset 5-4 in overtime by Winterburn Tomahawks Sunday afternoon in Winterburn.

Leduc opened the scoring at 4:29 of the first period when Doug Currie got around Comet defenceman John Towner and beat goalie Zane Jakubec with a backhand from 10 feet out. The goal came while Leduc was killing off a blowing penalty. Comets came right back to score at 5:17 when Dave Couves poked in a rebound off a shot from the point by Dale Ripple.

Leduc went ahead 2-1 on Jim Glasgow's backhand from close-in after teammate Dave Vinge had hit the goal post. The goal was another short-handed one with Oiler Dave Glasgow sitting out a holding penalty. Less than a minute later Leduc went ahead 3-1 when John Phelan beat Jakubec on a pass out from the corner that Jakubec had no chance on.

Comets came back with two goals in the last two minutes of the period to gain a tie. Phil McCargar tipped in a shot from the point by Danny Towpich at 17:25 and Gary Leskow beat Oiler goalie Bob Loman on a pass

from Andre Contant at 18:31. The second period was dominated by Leduc as they scored three unanswered goals to take a 6-3 lead after 40 minutes of play. Dave Vinge scored a pair and Len Zalapski scored the other. Jakubec did not look good on any of the three as he appeared to be fighting the puck. He no doubt had his mind on the critter that sideswiped his car on a hit and run accident shortly before arriving at the arena. In all due respect he did stop many fine shots and could hardly be faulted for the loss.

Phelan scored his second of the game at 3:44 of the third to put Leduc ahead 7-3 and it proved to be the winner. Oiler then ran into three minor penalties giving St. Albert an excellent chance to get something going. Comets responded with two goals as Randy Clark found the mark at 8:40 and Gary Leskow beat Loman from close-in at the 10:00 minute mark. Leduc felt the goal was scored after the whistle and hot-head Art Scott got himself a game misconduct for arguing the call. He also found time to invite the two referees out for a beer (or something) after the game and broke his stick over the boards. This was a dangerous stupid action as fortunately no pieces of the stick struck any fans. He will no doubt hear from the league president.

Both clubs split a pair of goals in the final 10 minutes with Gerry Armstrong scor-

ing from the point for the Comets and Jim Glasgow beating Jakubec on the short side from 30 feet out. Comets were without all-star defenceman Rich Perrault who is out with a sprained ankle. Defenceman Dale Ripple was also suffering from a bad cold. Comets defencemen did not play up to par as they gave the puck away numerous times and it cost them.

The loss was only the second in nine games since John Arnot took over as coach following the Polish game in early January.

They are assured of a playoff spot as they only have six games remaining in the schedule and are 16 points up on fifth place Winterburn Tomahawks. Comets have two games left with Westlock and single encounters with Leduc, Winterburn and Stony Plain.

Comets play host to third place Westlock Eagles Friday in a very important game. Westlock have also only lost five games and have played two less than Comets and Barons. A win for St. Albert would be very important at this time. Barons and Eagles meet each other twice in the last two games of the schedule.

On Sunday St. Albert travels to Stony Plain with the game starting at 8:30 p.m.

in four minutes of the third period to tie the game 6-6. Stony Plain then scored two quick goals to take a 6-4 lead before Bruins scored the last goal with three minutes to play.

Other Bruin scorers were Mike O'Neill, Bob Pearn and Jay Litke. Blair Burgess scored a pair of goals for St. Albert in their 7-5 loss to Waterloo Mercurys.

Bruins drop pair

St. Albert's Junior Bruins hockey club dropped two Capital Junior Hockey League games last week, losing 8-7 to Stony Plain Flyers Tuesday and 7-5 Friday to Waterloo Mercurys.

Tim O'Neill had his best game of the year for St. Albert scoring four goals in Stony Plain contest.

Bruins were down 6-3 after two periods of play but fought back with three goals

Hee Gervais of St. Albert shows excellent form as he won a close extra end 9-8 win over clubmate Tom Reed. The win for Gervais earned him a berth in the Alberta Consuls Playoffs this week in Calgary.

Gervais To Consols - Reed Presses hard

St. Albert's "Friendly Giant" scored an exciting 13 and win (9-8) over young clubmate Tom Reed Saturday night to advance to the Alberta Consuls playoffs starting Thursday in Calgary. Gervais at one point held a 5-0 lead after four ends only to have Reed fight back to tie it in the 12th with a pair.

Gervais gained entry to the finals against Reed with a 6 and 12 - 4 thumping of Gil Svenson of Leduc while Reed got by Al Edwards also

of St. Albert 9-7.

The St. Albert Club dominated the Northerns this year, holding three of the four finalists in the highly competitive playdowns.

Hee has Darrel Sutton at lead, Warren Hansen at second and Ron Anton holding down third. Playing with Tom

Reed were Kevin Byrne, Tony Rankel and Lorne Reed.

STURGEON SENIOR HOCKEY LEAGUE

Not too much has changed in the eight-team Sturgeon Valley Senior Hockey League since last week except that Bon Accord will finish in fifth place and out of the playoffs. Legal, Namao, Morinville and Calahoo are assured of playoff spots but who plays who will not be determined until Friday's final games.

Should first place Legal beat Bon Accord they would clinch first place. If Legal loses and Namao beats Morinville, then Namao would take first place as they have won two of three games with Legal this season. If Namao should lose to Morinville then Legal would automatically finish in first, Morinville cannot move any higher in the standings, although Calahoo can move into third place with wins over Villeneuve and Gibbons.

Playoffs get underway Tuesday, Feb. 12 in both arenas. First place finishers play third while second plays fourth. The semi-final series will be a best of five as will the finals.

Friday's action saw Calahoo dump Alexander 14-1 with Jacques Contant scoring four while Jay McGeough and Gary Atchison three each. Bon Accord upset Namao 3-2 on Greg Wolansky's two goals and one by Peter Chubb. Norm Robby and Adolf Yeske scored for Namao.

Bert St. Martin's two goals led Legal to a 7-2 win over Villeneuve. Bob Pelletier, Danny Prefontaine, Leroy Coulombe, Red Pelletier and Brent Hogg scored singles. Phil and Vic Soetaert scored

Morinville got by Gibbons 3-2. On Sunday Rick Pugliese scored a pair of goals to give Morinville a 4-4 tie with Calahoo. Guy Chalfoux and Richard Wright scored the other Morinville goals. Gary Atchison, Ticker Quintal, Pete Turner and Dale McMillan scored for Calahoo.

Legal doubled up 4-2 over Gibbons on a pair of goals by Danny Prefontaine and singles by Darcy Brisson and Bob Pelletier. Tom Hogg scored both goals for Gibbons.

Villeneuve upset Bon Accord 5-3.

Darcy Brisson still leads the scoring race with 17 goals and 17 assists for 34 points, three more than team mate Red Pelletier.

Gerald McGinn is the top goalie with a 2.15 average.

The Pee wee Lancers remain undefeated after three more league games. With four games left in league play, the Lancers are pretty well assured first place. The boys are finding it a little tougher in the last round and lack of ice time is starting to show.

The Lancers defeated Ardrossan 4-1, Westlock 8-2, Barrhead 2-0. The scores with Ardrossan and Barrhead were no indication of the play, as the Lancers outshot Ardrossan 42 to 12 and Barrhead 38 to 18. Both of these games were costly to the Lancers as they had four players injured against Ardrossan and five injured against Barrhead. Most of the injuries were caused by spearing, yet no penalties were called.

Bernie Joyal and Monty McNutt both ended up in the hospital as the result of these incidents. Joyal should be

ready for our next game but McNutt is still doubtful. Scorers in the last three games were Pat Poulin - three goals, two assists; Liptak, Joyal, Tworek each with two goals, three assists; Greening two goals, one assist; Troy Murray, two goals; Breen Neeser one goal, one assist; Lacrioux three assists, McNutt, two assists; McDonald and White one assist each. Todd Murray the Lancers goaltender deserves a great deal of credit as he has been play-

ing outstanding hockey. Terry Harkness, Mike Taschereau, and Rollie Mowatt didn't pick up any points in the last three games but they prevented the opposition from getting any.

The defense only allowed Westlock one shot on goal in the third period at Westlock. The Lancers have again entered the North Star Tournament in Saskatoon in April, the boys are selling tickets to finance the trip. Any support will be appreciated.

New Comets management

The Jasper Auto Parts Comets hockey club's new management appears to be going in the right direction with the teams winning seven of nine games since the management changes a month ago.

Claude Contant is the new president with long time team member, Rene Brodeur remaining as vice-president. A former player, John Arnot, has taken over the manager and coaching positions which were formerly held by Gary Checknita. A long time St. Albert resident, Maurice Roberge is the assistant manager and Wally Monson is the secretary-treasurer. Mark Contant is the new trainer and Harry Pudowski takes over as timekeeper.

The new Comet management would like to thank the former coach and manager, Gary Checknita and Mickey Checknita who spent a lot of time organizing the Polish National game, Dave Lewis who served as president and Sid Liptak who handled the timekeeping.

The Comets have come up with a few new ideas to draw fans and make the intermission more interesting.

St. Albert Inn gives a dinner for two up to \$12 at every home game. St. Albert Pharmacy donates a box of chocolates or Oiler hockey

tickets for two and Dennis Pizza from Edmonton gives away a free pizza. All the prizes are determined by ticket stub draws.

The hockey club have introduced Score between second and third periods. Winners getting \$10 for putting

the puck in a small hole, and \$5 into the two larger ones. Unsuccessful applicants take home a hockey stick, compliments of the St. Albert Sportshop.

Fire Chiefs edged 2-1 by Barrhead

Barrhead scored a goal in each the first and second periods, then withstood a furious third-period attack by St. Albert Fire Chiefs to pull out a 2-1 win in Barrhead Saturday.

The loss was a severe setback for Chiefs, as a victory would have clinched first place in the bantam division of the Northern Alberta Minor Hockey League.

Chiefs took another step towards the title Sunday, defeating Ardrossan 7-0 in Ardrossan.

Chiefs, off the ice for a week, just couldn't get untracked in the first two periods, played consecutively, in Barrhead. Down 2-0 en-

tering the third, they began to turn the play around but only came up with one goal, a shot from the point by Joe Tworek.

With 40 seconds to play, they pulled their goalie and swarmed to the attack, but couldn't find the opening they needed. With 10 seconds to go, two Barrhead forwards broke out with the puck, Gilbert Longpre, back alone, poke-checked the puck back to centre ice but as four Chiefs broke over the Barrhead blue line, the buzzer went to end the game.

There were 12 penalties in the game, Chiefs collecting nine. Barrhead took three, including a bench min-

or when the Barrhead coach tried to convince the referee the game was being played in stop time. St. Albert, protesting that the penalty call was unfair, played a man short until the Barrhead penalty expired so that it would have no bearing on the outcome of the game.

Barrhead earned the win, their second in six outings against Chiefs, and the score could have been higher except for the exceptional goaltending of Kevin Jennings and Glen McRae.

Fire Chiefs were also high in the penalty department in Ardrossan on Sunday, taking 14, including a match penalty to Jimmy Scheibelhofer and

a game misconduct to Graham Brown. Ardrossan took eight.

In the scoring department, Brown, Paul McCann and Donald Oullette each scored twice and Scheibelhofer got the other. There was no score after the first period but St. Albert went ahead 4-0 after two.

Twice St. Albert scored in a matter of seconds. In the second period Scheibelhofer and Brown scored 11 seconds apart. In the third, Oullette put in his two in the same span.

Fire Chiefs' next home game will be against Westlock in St. Albert Arena on Saturday at 8 p.m.

his style

old style

He opened up the north with baling wire, canvas and courage—and maybe the thought of Lethbridge Old Style Pilsner waiting when he made it back home. Alberta's original Pilsner has logged a lot of miles and quenched a lot of thirsts in nearly fifty years; and it tastes as good today as it did way-back-when. Slow-brewed and naturally aged for men who appreciate the down-to-earth flavour of an honest, old-time beer. Try it.

Nordic Ski Club officers

Hugh Puffer was elected president of the St. Albert Nordic Ski Club at the general meeting of the club held January 30 at the Percy Page Centre. Vice-president is John Woltenko; secretary - Louise Stanley and Karl Schneider is treasurer. Ken Rothwell is on membership, Peter McCaffery on publicity and Hugh Phillips is schools representative.

The meeting heard a report from the Steering Committee, who had been given the task of drawing up constitution and bylaws, preparing a slate of officers and making arrangements for locating ski trails and getting assistance with equipment to prepare them.

A discussion took place on fee structure, program for the rest of the season and objectives for the club's operation. Plans were made for an afternoon of skiing in the Forest Lawn area last Sunday.

The lively discussions and obvious enthusiasm shown at this first general meeting indicates a most promising future for the Nordic Ski Club. Membership is open to all and elsewhere in this issue an application form can be clipped and forwarded.

The St. Albert Nordic Ski Club held its first social outing on Sunday last. Thirty-five people including several families assembled at Sir Alexander Mackenzie School at one o'clock and skied north-east along Sir Win-

ston Churchill Avenue, on a double track cut by Ron Perrott of Riverside Sales. Then the group split into several sections to ski north of the Forest Lawn area at their own pace.

Through the good graces of Mrs. Ethel Cuts lots of hot coffee was provided in the Lobby of S.A.M. school. The afternoon was organized by Dr. Hugh Puffer, the club president.

Next Sunday club members are assembling at the old dump at 1:30 p.m., where there is plenty of parking. They will spend the afternoon skiing in the Big Lake

area.

Ski Club executive meeting slated for this week - on Thursday, Feb. 7 - the executive of the St. Albert Nordic Ski Club will hold its first meeting at 7 Flagstone Crescent. Business to be discussed will include club program for the remainder of the season, possibility of coaching clinics, and the organization of weekends to the Blue Lake Recreation Centre and Elk Island National Park. After the meeting there will be a short recreational skiing session in the Forest Lawn area.

Knights to host provincial tourney

Probably because their invitational hockey tournaments have enjoyed such popularity, the St. Albert Council of the Knights of Columbus have been asked to act as hosts for the Knights Provincial Tournament, scheduled for March 23rd. George Shaver, who handled this season's invitational event, is chairman for the provincial as well, has sent out letters inviting all councils in the province. Entries for the eight-team event will be accepted on a 'first come first served' basis, and all teams will play two games.

Play will get underway at 8 a.m. in two divisions and

the tournament works on a point system. In the event of a tie, the team with most goals scored wins. It is expected that a good number of non-playing Knights will take in the event as well, and in most cases wives accompany their husbands.

An Awards dinner and dance will be held in the evening, to which all members of the Provincial executive are invited.

Another sports event which gets Knights from throughout Alberta together in friendly competition, is the annual curling bonspiel, being played this year at Calgary in April.

Barons clinch league

A four-goal scoring outbreak by centre Doug Cinnamon Sunday lifted St. Albert midjets from a four goal deficit into a 7-7 exhibition tie with Wetaskiwin Kings at Wetaskiwin.

Cinnamon's scoring spree, plus an extremely gutsy performance from all the Sportshop Barons, brought St. Albert back onto even terms with the Kings.

St. Albert trailed 5-1 after the first period, and 6-2 after 40 minutes of action.

In league action, the Barons garnered their 13th straight win in Northern Alberta Minor Hockey League action, with a dull 5-1 win over visiting Ardrossan last Thursday. The Barons, undefeated in league play, have clinched the NAMHL title with five games remaining.

In Sunday's contest, the Barons came out flat and in the first 20 minutes were run out of the rink, as Wetaskiwin continually bombarded St. Albert goalie Keith Logan with hard drives.

Mudryk and Erickson fired home Wetaskiwin's opening two goals with just slightly more than three minutes gone in the opening period, but rightwinger John Wells grabbed a loose puck in Wetaskiwin territory a minute later and drove a 20-foot wristshot past Wetaskiwin goalie Dieke on the stick side to get the Barons on the scoresheet.

The one-goal Wetaskiwin lead jumped quickly however, as Maciborsky and Johnson tallied singles by the midway mark, and Buskas made it 5-1 with just 25 seconds remaining in the period.

In the second the Barons started skating and playing positional hockey, and carried the game to the Kings. But it wasn't until 13:59 that centre Greg Thibert found himself wide open with

a loose puck in front of the Wetaskiwin net that St. Albert was able to get on the score sheet.

Winger Tom Parayko took a terrific jolt in order to set up Thibert's goal, and Sandy Millroy outfought three Wetaskiwin defenders to get the puck loose to Thibert, who calmly picked a corner.

With just 47 seconds remaining in the middle frame and both teams playing four aside, Mudryk tallied his second goal when St. Albert was guilty of sloppy clearing and he found himself parked at the side of the net all alone against netminder Dennis Lafleur.

Lafleur, who replaced Logan midway through the period, dived for the puck by Mudryk lifted it high into the net and restored Wetaskiwin's four goal lead.

In the final 20 minutes it was all St. Albert, as the Barons stormed to the attack.

Cinnamon's first at 3:18 and his second four and a half minutes later boosted St. Albert to within two goals of Wetaskiwin, but less than a minute later Wetaskiwin was leading 7-4 when Wilson picked the low side on Lafleur.

Not to be denied however, the Barons turned on the power and captain Darrel Billsten made it 7-5 when he banged home a pass from John Wells.

At 17:47 Cinnamon split the Wetaskiwin defense after taking a lead pass from Sandy Millroy and slid the breakaway pass through Dieke's pads, and just 45 seconds later Billsten won a faceoff deep in Wetaskiwin territory, hit Cinnamon who was in the slot and Cinnamon's low drive tied the game.

It was the second consecutive tie for the two teams, the Barons having scored two late goals in an earlier exhibition contest at Wetaskiwin in December, to pull out a 4-4 tie.

In league action, St. Albert piled up 1-0 and 4-1 period leads, as they outclassed the visiting Ardrossan midjets.

Defenseman Chris Hoffart with two goals, Gary Ferguson, John Wells and Steve Lister accounted for the St. Albert scoring.

The midjets host Barrhead Thursday 8 p.m. at the arena in league action.

Calahoo Sports

Calahoo bantams hockey club split a pair of games last week in Parkland Minor hockey action. On Wednesday the bantams lost 5-1 to Wabamung with Shane Quintal getting Calahoo's only goal. However on Monday the boys came out flying and chalked up a convincing 7-0 win over Stony Plain. Shane and Kevin Quintal scored two goals each while single markers went to Dale Schaffers, Randy Kaup and Shaun Mayo. Perry Kolesar was in goal for Calahoo.

Saturday night the Oldtimers who are now known as the Rejects kept their unbeaten streak going with a 2-2 tie against the St. Albert Tornados. Larry Mitchell and Eric Quintal scored for Calahoo while Len Roberts tallied both goals for St. Albert. The game was very cleanly played and both teams are hoping for another game shortly.

Arts & Crafts

Three hundred and seventy six registrations were taken last Sunday on the first day of registration for the classes sponsored by the Arts and Crafts Guild! Extra classes were added to the program in an effort to accommodate as many as possible and, if not filled at that time, are filling up this week when registrations are being taken at the Arts Centre till Friday, Feb. 8 from 7 - 9 p.m. each evening. The program offered by the Guild and due to start during the week beginning Feb. 18, was listed in advertisements in the Gazette issued on Jan. 23 and 29.

At the time of writing, there are openings in the following classes: lapidary, teen multicrafts, primitive weaving, copper enamelling

and jazz dancing as well as the morning adult ceramics class and the ceramics sculpture class, the title of which may be misleading (and perhaps a bit awesome!) as, while the emphasis is on sculpturing, it is still basically a ceramics class and really shouldn't be beyond the enthusiastic beginner. There are also openings in the extra upholstery class which is scheduled for Tuesday evenings.

A few openings remain in other classes - but the openings really are few and so are the other classes; they will probably be filled during the remainder of registration week. If in doubt or wishing to have further information, please phone Lois Folkins at 459-7344.

Toboggan Warning

The area in Mission Park known as the "Seven Hills" may be a very exciting place to toboggan; unfortunately it is also VERY dangerous. Careering from bump to bump is not only a hair-raising experience, it can also be limb-and-back-breaking and too many people of all ages have found that being transported up the hill to the hospital took the edge of the fun they had going down on a toboggan.

Accidents - some of them serious - are taking place on the hill and residents are warned that if they insist on living dangerously they do so at their own risk. Parents of young children especially should make sure that their off-spring toboggan in other relatively safe areas; tobogganning adults should use

their own good judgement, and not run any unnecessary risks. A large sign has been posted at the top of the hill. Please read it and take heed. It states that the Town is not responsible for accidents - you have been warned!

Hockey

If a practice or game on outdoor ice is cancelled for any reason (apart from the weather), the coaches concerned are asked to please phone the Recreation Department at 459-6601. There is a great demand for ice time and it is unfortunate if the ice is left empty when another coach could make use of it.

Cross Country Skiing

A few of the people of all ages who turned out for the cross country skiing clinic which was held in January by the Town's Recreation Department. Please turn to the recreation news for information about the clinic which is scheduled for February 9 and 17. The novice may also be interested in an article on cross country skiing which appears in the February issue of the "Canadian Consumer."

Because of the immense popularity of the cross country skiing clinic held a few weeks ago another has been arranged.

On Saturday, Feb. 9 from 9 a.m. - 12 noon equipment, clothing, etc. will be demonstrated and films shown in the Clubhouse (beside the swimming pool on Grenfell Avenue). Then on Sunday, Feb. 17 an all-day clinic from 9:30 a.m. - 5 p.m. has been planned to take place at the Viscount Stables a few miles out of town where there is heated accommodation available for waxing, lunch - or just warming up! The terrain in the surrounding area is also excellent for practising the basic techniques of skiing uphill and downhill as well as on

the flat. It was felt that the time lapse of eight days after the demonstration would give participants a better opportunity to rent or buy whatever equipment they might require for the outdoor session. Peter McCaffery who, assisted by Karl Schneider, instructed the previous very popular clinic will again be in charge.

The Viscount Stables have been made available through the courtesy of Mr. Herbers and are located approximately five miles east of town on the Sturgeon Road, past the Sturgeon Valley Golf Course, with the entrance to the stables almost opposite the gas plant which will be on your left. Those requiring transportation should meet at the Teen Centre on Mission Avenue at 9:30 a.m. prompt on Sunday, Feb. 17 where the Kinsmen Bus, kindly lent by the St. Albert Kinsmen, will be waiting to transport the young and the young-at-heart out to the stables. After the clinic, the bus will be at the stables at 5 p.m. and arrive back at the Teen Centre between 5:15 and 5:30 p.m.

It will be a long day so everyone should bring a lunch; coffee will be on hand and pop for the youngsters. The cost is \$5 for a family; \$2.50 for adults; \$2 for students and \$1 for children of 12 years and under. Phone the Department of Recreation at 459-6601 for further information.

Weaving

An experienced teacher of weaving is available for instruction in a workshop situation if there are enough people interested - preferably with their own looms. Some experience in weaving would be required. If interested in furthering your knowledge of this craft, please phone Lois Folkins at 459-7344 and let her know

Chess

The St. Albert Chess Club meets every Wednesday evening at 8 p.m. in the Clubhouse (beside the swimming pool). Phone Mr. Stuart Embleton at 459-8937 for further information about the club.

Boys who took the Mike Kay's advanced model aircraft class before Christmas have probably got aircraft with the propellers missing. These are now available and can be picked up at the Recreation office in the Town Hall.

Carnival

One of the highlights in St. Albert's calendar of events is the annual carnival arranged and organized by the St. Albert Figure Skating Club.

There will be two performances this year, on Saturday, March 30 in the evening and on Sunday, March 31 in the afternoon. Mark one of these dates on YOUR calendar as a must.

Skating

There will be public skating in the arena on Thursday and Friday, Feb. 7 and 8 from 1 - 3 p.m. on each day.

The public skating session on Wednesday, Feb. 13 from 7 - 8:30 p.m. has been cancelled. Figure skating tests will be taking place that evening and extra time is required to accommodate the

members of the St. Albert Figure Skating Club who will be taking the tests.

CFSA testing for both figures and dance will be from 4 - 8:30 p.m. and spectators will be welcome.

The parent and preschooler session from 10:30 to 11:30 a.m. will be held as usual on February 13.

WEEKEND

Wanted! A Queen for St. Albert Complex

To borrow a quote from a famous poet "I live there a woman with soul so dead - who never to herself has said, 'I'd like to be a Queen, if only for a day?'" Well, ladies of St. Albert and district, your dream could be realized. Some lucky lady will be crowned Queen of the evening when the Lady Lions host their annual Sweetheart Ball on Feb. 16 at St. Albert Community Hall.

One ticket will be drawn, and the winner, in addition to wearing the crown and reigning over the ball for the evening, will receive a corsage and a beautiful gift of jewellery donated by Pat and Adam Hupington of the Sweetheart Jewellery Shop.

The crown, an exquisite tiara, which will be passed on each year to successive queens, was also donated by Sweetheart Jewellery.

However, even if you should not be fortunate enough to win this honour, the Lady Lions promise you a delightful evening. Dancing to the music of the Combo-Ettes commences at 9 p.m. There will be a short intermission, at approximately 10:30, when we present for your pleasure, entertainment by an accomplished and professional artist. Following this, the lucky ticket will be drawn and Lion District Governor A. Bychuk will perform the ceremony of crowning the Queen.

Later, a delicious buffet dinner, more dancing, prizes and of course, refreshments available. Tickets at \$12 per couple may be obtained from the Bank of Nova Scotia, Hinchings Shoes, Sweetheart Jewellery, and Robinson's

Pet and Hobby Shop. If those supplies are depleted, call Nancy Wilson 459-4403 or Marilyn Gariepy 459-3771.

The Sweetheart Ball is the only fund-raising event sponsored by the Lady Lions, who depend largely on its proceeds for their contributions to charitable and needy causes within this district. Last summer, for example, several handicapped children, from less fortunate families, were able to go to Camp He Ho Ha.

Also, last Christmas, they were able to assist our St. Albert Breakfast Lions by donating gifts for each member of the Senior Citizens Club at their annual Christmas dinner, hosted by the Lions.

The theme for our ball this year is 'Love Around the World.' The objective is to spread a little love and happiness around, at least, our part of the world. By attending the Ball, you'll be supporting a worthy cause, and you'll enjoy a fun-filled evening.

New manager arrives at Commerce bank

The St. Albert branch of The Canadian Imperial Bank of Commerce had a change of managers last week, sending Mr. Dennis McConnell off to Iauvik, and welcoming a new manager from Yellowknife.

Mr. McConnell had managed the St. Albert branch since it opened on Churchill Avenue in March, 1972, and had taken an active interest in the Kiwanis Club.

Mr. Gerry Dux (pronounced Dookes), who has been with the bank for 10 years, had been two years as assistant manager at Yellowknife prior to his posting here.

He started with the Bank in Edmonton and has been at the Jasper branch, Calgary twice, and spent one and a half years on branch unit work, which took him all over the province and the territories.

Along with normal duties, he was in charge of the 'Flying Bank' service, which has

operated out of Yellowknife for four years.

As a flying banker Mr. Dux visited Coppermine twice a month for a half day, where he set up his mini bank in the settlement office, Cambridge B-7, operating out of the Co-op Store and Adult Education Centre for one and one-half days, Lady Franklin Point, once a month and Hkman Island on an irregular schedule. Asked if security was a problem, Mr. Dux replied that the "biggest danger was frost bite!"

He commented that while it was a very expensive banking service, the money was well spent for the future, and that the communities were growing all the time.

Along with the portable bank Mr. Dux would load up with such items as fresh vegetables and hard-to-get items for his trips to the far north centres, and would sometimes get involved with

other non-banking services, such as assisting with the medical evacuation of two Eskimos on one occasion.

Mr. Dux and his wife Catherine, daughter Cassandra, three and Christopher two years, will be moving to St. Albert very shortly (when their carpets are in) and the family were happy with the move, although they enjoyed their stay in Yellowknife.

Indian Society had nobles and slaves

Living on a narrow strip of land with an immense ocean to the west and towering mountains to the east, the Indians of the Pacific Coast developed a complex civilization, unique among Canadian Indians.

The Pacific Coast Indians lived in villages where inhabitants were usually closely related. Occasionally, several clans lived in one settlement. Each owned, in

addition to material possessions, a section of land, fishing stations and certain privileges—the right to use certain names, to display certain heraldic crests and to perform certain songs, dances and other rituals.

The members of a clan were divided into nobles and commoners. There were also slaves, but these were not regarded as clan members. Born as either a noble

or commoner, each individual inherited a specific position in a graded scale. The highest noble was the chief. A person's name and crest were indicative of his rank in the social hierarchy.

The wealth possessed by the clan was owned and shared by the group, but controlled by the chief. Each noble held nominal title to certain material possessions and privileges. Privileges, such as the right to perform a certain dance, were inherited or granted by the chief to a noble who could pass them on to his descendants.

Material wealth was distributed through an elaborate ceremonial feast, known as the potlatch, taken from a Nootka word meaning "giving." When a potlatch was held by a chief and his clan, another village was invited and numerous gifts were given to guests. The potlatch, overtly held to announce an event of social significance, such as the proclamation of a new chief, was used to display the wealth of the clan, to demonstrate prosperity and power, and thus to enhance the clan's prestige. Supernatural beings, who

inhabited the forest, the waters, and the nearer reaches of the skies, greatly influenced the Pacific Coast Indians. These were the gods with whom they might come in contact to their benefit or disaster.

Animal spirits, especially the salmon which their way of life depended were important to them. They believed the salmon spirits inhabited a house under the sea where the fish assumed human form. When the annual run of salmon was due, the fish assumed salmon form and returned. These fish had to be treated with respect or they might be offended and not return the following year.

Twice as many people are engaged in clerical work now as there were in the 1940's. Maybe we don't know what's going on, but at least we are getting it down on paper.

"I agree," said the principal to the dotting Mother, "that your son may have a spark of genius. But, in my opinion, he also has ignition trouble."

Parents hear talk on creativity

An information meeting for all parents of pre-school children was held at the assembly room of Sir George Simpson School on Tuesday, January 29th at 8:30 p.m.

The guest speaker for the evening was Mrs. Muriel Martin, Assistant Superintendent, School District #6. The subject of Mrs. Martin's talk was Creativity in Early Childhood. A great deal of work and research has been carried out on early childhood education and creativity over the past 15 years. Creativity is seen as a process for learning. Although creativity is not synonymous with intelligence, children who have developed their creativity differ from those who have not. For example, they are more likely to have a greater fluency of ideas, a keener intuition and a good sense of humour. Given two individuals who have equal ability, the creative one will do more with his ability.

How does a child show creativity? Through language, both written and oral; through play, through music, drawing and painting with brush or with fingers; cutting, pasting, modelling and carving. These are all ways in which a child shows creativity.

What can parents do in the area of a child's creativity? Parents are the most dominant factor in a child's early years. Spend time with him, expand his interest. Take time to listen and talk with him. Watch him in his serious moments as well as those at play. Listening to poetry and fairy tales adds to the ability to create. It kindles a taste for words and interest in the language and the trying of new words.

Encouragement is the key ingredient. Allow the child to experiment and explore. Some children are afraid to try but don't rush a child through childhood. Respect his uniqueness and don't try to remodel him. Let a child be a child.

In the area of materials, Mrs. Martin explained that the most simple of things become something quite different in a child's imagination. Used paper towl holders, empty egg boxes can represent robots, computers, men, boats or ranches. Pipe cleaners in the hands of a child become something quite beautiful.

Mrs. Martin's talk was the first in a series of four sponsored by the St. Albert Creative Kindergarten. The talk was well attended and enthusiastically received.

At Toronto Dominion, we have several good investment plans. Tell us how much you have to invest—and the length of time you can spare it. We'll help you choose the plan that's right for you.

We have short-term investments for large amounts. Long-term investments for \$1000 and over. And our Six Year Savings Certificates which sell for as little as \$6.06. (Buy one whenever you have some extra money. You'll be pleased with how much it's worth in six year's time.) And note—with all of these you can cash in ahead of term if you need to; for a slightly reduced, but still attractive rate. And here's one you may want to invest in right away. It's TD's Retirement Savings Deposit—a Retirement Savings Plan that can help you save big on your Income Tax for 1973. (Just make sure you see us before March 1st.)

There are several things we think you'll like about this one:—

- Its fixed interest rate—now 8½%—adjusted and compounded semi-annually to help your pension fund grow faster.
- It's safe—Its earnings will always follow the rate for TD's Five Year Certificates of Deposit.
- It's flexible. You can start your plan for as little as \$250; and add to it anytime—whenever you have \$100 or more to spare. For details as to how much you can put in—and how much this can save you in taxes—see your TD Manager soon.

Around Town

Thirty women showed up for the first night of a new course in physical culture under instructor Margaret Thompson and came away most enthusiastic about the smooth-flowing body movements set to music with a beat. The program aims at improving physical fitness while at the same time developing grace in carriage

and movement. Commenting on Mrs. Thompson's statement "there are no jerks in these exercises," one woman was heard to mutter - "maybe not the way she does them." They ranged in age from early twenties to late forties. The course continues Thursday evenings at Sir George Simpson School.

United Way phasing out Day Care aid

The United Way has announced the "phasing out" of financial support of Day-Care Centres in Edmonton.

Fourteen years ago, the United Way pioneered in the field by being the sole support of the only Day-Care Centre in Edmonton. The Edmonton Creche and Day-Care Society, later to be called the Community Day Nursery.

Over the years the United Way supported two additional agencies (Primrose Place and Downtown Day-Care Centre) so that by 1973 allocations to Day-Care totalled \$51,000.

In announcing the move, Art Gregg, president of the United Way, pointed out that recent Government support

in the Day-Care field now totals 3/4 million dollars.

Mr. Gregg stated that "agreeable discussions with the city and the agencies have taken place and it is felt the United Way can "phase out" of Day-Care within three years." "This will give the city," Mr. Gregg said, "time to obtain in-

creased financial support from the province." He said, "at the moment Day-Care is funded 20 per cent by the city - 80 per cent by the province with 50 per cent of that coming from Ottawa."

Mr. Gregg said the United Way will plan to redirect the \$50,000 now spent on Day-Care to other areas of need,

The Local Association for Brownies and Guides held a meeting on Sunday, Jan. 27 with 19 ladies present. Plans were made for a St. Patrick's Day Tea to be held at the Community Centre on March 16 from 2 - 5 p.m. There will be an advance ticket sale - 50 cents for adults and 25 cents for children. Admission to the tea and a chance for a door prize are included in the price of the ticket. Tickets will also be available at the door. The tea will be a gala affair featuring a baking contest, fish pond, white elephant table (any donations gratefully accepted), sale of crafts, a bake sale and tea cup and palm reading by Mrs. Fay Middleton. The list of prizes include - a portable barbecue, donated by Lewis and Sons Service Station; a framed picture - Mr. Keith Whitson, Village Superette; two complete shampoo and sets - Call Me Madame Hairstyles, (Mrs. Pauline Mansfield); one \$5 share - Edmonton Amalgamated Savings and Credit Union; a gift of Avon - Mrs. Gail Critchley; \$5 from Award Aluminum (Mr. and Mrs. R. Lampkin and Mr. and Mrs. Len Evans); \$5 from Bon Accord Industries (Elmer and Dave Brennan); \$5 from Edmonton Nurseries (Mr. and Mrs. John Chedzoy). Fish pond supplies are compliments of Woodward's Northgate. Also discussed were upcoming training sessions and a Thinking Day poster contest for the Guid-

es, to be judged by Mrs. Ruby Lampkin. The next Local Association meeting will be held in the clubroom on Feb. 17 at 2 p.m.

A meeting of the shareholders of the Bon Accord Community Centre will be held in the Clubroom on Feb. 11th at 8 p.m. Anyone interested in his/her communities' activities is welcome to attend. However, only bona fide members may vote. If you are not as yet, and wish to be, the above, contact Doreen Hewitt. Lunch will be served.

A reminder to all telephone subscribers in the Bon Accord and district area. Have you marked and posted your ballot on Extended Flat Rate Calling? If not, please do it now. The deadline for returning it is Feb. 27.

A note to Bon Accord Mutual customers - your final bill is now overdue.

A meeting of the Lions executive and Mr. Rudy Rippe of Fort Saskatchewan was held on January 30 with the view of reviving interest in the organization. Another meeting was called for Wednesday, Feb. 6 with the next one slated for Wednesday, February 20. Time of the meetings is 7 p.m. in the Bon Accord Community Centre. Members of a cabinet set up of past district governors for reorganization of clubs, will be present to carry out the operation of the

club until such time as a new executive can be elected at the Feb. 20 meeting. Several new members have indicated an interest in joining.

Ex-Bon Accord students, Karen and Sharon Draper, Debbie Uchacz and Nick Bodnar continue to make themselves known as members of M. E. Lazerte High senior basketball teams. To date, both teams have been unbeaten in the city high school league.

Pat Reichle, Edith Kowalski and Olga Ferbey attended a handicraft workshop at Morinville on January 24 and 25. Pat and Edith took cake decorating and Olga took copper enamelling.

The 4H Beef Club enjoyed a swimming party at Coronation Pool on Friday, Feb. 1.

The sympathy of the district is extended to Joe and Johnnie Cherdarchuk and Anne Heinisch, whose brother Mike Shewchuk, passed away suddenly in Nanaimo, B.C.

Some changes have of necessity been made in the program for the carnival weekend, Feb. 8, 9 and 10. The mini-mite tournament has been cancelled as coaches are all working on the Friday. Instead a power and figure skating demonstration will start at 2 and will be followed by a bantam game at 3 p.m. A dance for the family will get underway at 9 p.m. running until 1 a.m. Crowning of the queen is scheduled for 11 p.m. Mini-mites will play on Saturday, Feb. 9 at 2 p.m. Snowmobile races

By Lucienne Montpetit

The new members elected on the parish council at the annual meeting are Mrs. Paul Chauvet, August Kieser and Tony Pelletier. Ben Van de Walle and Louise Coulombe will represent the youth for another term. Normand Letourneau and Mrs. Ledet are the new members on the liturgical committee. Mr. Victor Douzich will be serving another term and Patsy Montpetit will represent the school for another

term. will go as planned on Sunday in the area south of the arena. Registrations for this event will close at 1, with the races getting underway at 2. Following this event why not enjoy the Bean Supper sponsored by the Cadets and held from 4 - 7 in the Community Centre. To round out the day play bingo. The jackpot has now reached \$90 in 58 numbers.

Wildcats will play their last league game on Friday at 8 against Legal. The team won over Namao in a game played on Feb. 1 but lost to Villeneuve on Jan. 29 and Feb. 3.

Got well wishes are extended to Mr. Jim Milligan, in the University Hospital.

The Grade 7 students from Legal School are once again making a trip to Peace River this coming spring. The trip will include a visit to one of Alberta's biggest honey plants, a visit to Dunvagan Mission Park, along with a stop in Peace River, the town of Twelve Foot Davis. The trip, in addition to the above will provide

our students with the opportunity to meet students from another area and to get acquainted with them.

Also the trip will give the Grade 7 students the opportunity to work together in order to raise the necessary funds for the trip. This

ability for one to function well within a group is a very necessary part in one's education and this gives our project that much more merit.

We hope that the project will also involve many parents. Our first fund raising enterprise particularly depends on adult support for its success. We are planning a "Bake Sale" and your donations would be greatly appreciated. The parents of

the Grade 7 students have already offered to donate cakes, cookies or pies. We hope some others will join in. Remember it is a very worthy enterprise which I hope could be done every year. Thank you,

Felix Messier dies at 64 years

By Lucienne Montpetit

On January 29 Father Roland Bissonnette celebrated the funeral mass for Felix Messier who passed away on January 27 at the age of 64 years.

Born at St. Charles (Richelleu, P.Q.), he came to Legal with his parents in 1920. The Messier family settled in the village and Felix has been a resident for 54 years. He attended school in Legal and worked in the district. He was employed by the MD of Sturgeon for some 15 years and had made many friends.

He leaves to mourn his

loss five brothers and two sisters, Willie and Adrien Montreal; Clement Champlain, New York; Rev. Mathias Messier, La Salle, Manitoba and Ludes - Legal. Mrs. Letitia Demers Chateaugay Quebec and Mrs. Marie Claire Paynter, Calgary. Following interment in the local cemetery lunch was served at the Community Hall.

The family wishes to thank Father Bissonnette, the Rev. Sisters, the choir, Mrs. Provencal and everyone for their expressions of sympathy, mass offerings and donations to the Cancer Clinic.

Meditation taps inner resources - local teacher

A free introductory lecture on Transcendental Meditation will be held in the Gibbons Community Hall on Wednesday, Feb. 20, 1974 at 8 p.m. The lecture will be given by Geoff Toane, Geoff has taken training at Maharishi University campuses in California, Spain and Switzerland and has taught transcendental meditation for some time in Edmonton. If enough people are interested he would run courses anywhere in MD Sturgeon or St. Albert.

Transcendental Meditation is the practical aspect of the Science of Creative Intelligence. This science arose from the discovery

that within each individual is a constant source of intelligence, energy and happiness. Transcendental Meditation is the technique which an individual uses to develop full use of his potential.

Transcendental Meditation is a simple, natural mental technique. It is easily learned by anyone in seven sessions of about two hours each. No religious beliefs, physical postures or mental attitude is required to practice Transcendental Meditation. The only prerequisite is the ability to think a thought. About 65,000 Canadians are enjoying the benefits daily.

Although Transcendental

Meditation is a mental technique, there are many physiological changes that occur during and after the practice. At present 42 scientific studies on Transcendental Meditation have been published.

Some indicate that during Transcendental Meditation a state of rest is produced that is twice as deep as one gains during seven hours of sleep.

Others indicate lower blood pressure, reduction in anxiety, increased ability to cope with stress, improved body functioning, increased learning ability, improved job performance, etc. Research in over 80 institutions is continuing.

The technique practised on a regular basis, 20 minutes morning and evening. The benefits are spontaneous and as one uses it regularly the benefits accumulate.

Regular Transcendental meditators notice that their interpersonal relationships improve by becoming more tolerant and understanding.

The technique is as ancient as mankind and universal in its application. At this time in our history, the complete knowledge presented as the Science of Creative Intelligence is being brought to the world by Maharishi Mahesh Yogi.

Everyone is invited to begin Transcendental Meditation and enjoy development to a fully evolved state. For further information please write Geoff Toane, Gibbons, Alberta, or phone 799-5844.

Legal Seniors Centre gets \$10,000 grant

The application of Legal's Club 60 Roses for a Federal Government grant under the New Horizons program has been approved in the amount of \$10,515. Health and Welfare Minister Marc Lalonde made the announcement in Ottawa on Monday, \$400 is earmarked for the O'Meara Lodge.

The senior citizens organization is renovating the old corner school building in Legal as a recreational centre for residents 60 years and over, which will also serve people in the Chalks Lacombe and O'Meara Lodge.

The old school was purchased for \$1 from the Legal School Board, who then had to move it at a cost of \$6,100, as the land was required for a new school. Government land was available about a block away and a portion large enough for the building was allocated for the new centre, through negotiation with Mr. Kitchen, supervisor of Senior Citizens homes for the Province. The school board is anxious to eventually be repaid for the moving expense.

The seniors hope to be able to have the land surrounding the centre landscaped for the use of residents until such time as it is needed for other purposes. The MD of Sturgeon has agreed to provide trees and equipment to work the land.

A considerable amount of work has been done on the centre to date, practically all of it through volunteer labour and donations of materials at cost price. Mr. Nap Belle, retired contractor is acting as building supervisor at no charge, and his expertise and experience assure that a quality job will be done.

Mrs. Fabiola Hunting was asked by the senior citizens

club to serve as secretary for the project and an executive was formed under President Paul Montpetit with a social committee, Father Roland Blaissonette and three or four men in the community are available at any time to assist, and Eloise Belle volunteered to do the bookkeeping.

The grant application was for the outside structure, installation of fire walls, a new chimney, plumbing, electrical work, interior painting, and repairs, installation of utility services and some furnishings, plus \$500 for an arts and crafts program.

Basement excavation and backfill was donated by the MD Sturgeon, and local tradesmen donated their work for installing water and sewer and gas servicing, holding these costs to \$267 for materials, \$200 was spent for gravel on the basement floor and six yards of concrete at \$135 were just enough to supply a base for furnaces. The committee obtained two furnaces and volunteer labor installed them into a modern heating system, one serving the main floor and the lower floor. It will take at least \$1,000 to finish the basement floor on a volunteer labour basis.

Repair materials costing \$351 were purchased, and part of this figure is still owing. Putting in plumbing cost \$434 for material at cost, and labour was donated. There are no plumbing fixtures as yet. A temporary power metre and panel were installed at cost of \$414 with total power costs estimated at \$1,200 later on. Gas fitting expense, also done by volunteer cost \$34 for material, and steel supporting posts were \$97, a labour cost. The committee borrowed \$2,000 from the

bank to keep going, since they have monthly utility bills plus continuing material expense, as the work proceeds.

Upwards of \$2,000 has already gone into renovating materials.

\$668, was realized through three projects: A Bean Supper in October, a December dance and a Bake Sale last Saturday. When it is possible to get into the building plans are being made to hold fund-raising projects there. Kitchen facilities will be needed first, plus washroom partitions, plumbing fixtures and more chairs and tables.

When the building is able to be used it is planned to move the library in and the village has agreed to help with the move and to train interested senior citizens to act as librarians. Drapes have been donated for the library but carpets should be installed prior to the installation of shelving and other work required.

With prices of materials rising steadily and the amount of work remaining to be done it is estimated that a further eight to ten thousand will be needed, over and above the New Horizons grant to complete the building and provide minimal furnishings.

But Mrs. Hunting speaks very highly of the tremendous co-operation and support for the project by the community as a whole, and every possible avenue will be explored to complete the new centre to a quality standard suited to meet the needs of senior citizens in Legal for many years to come.

Vimy 4H Needles

By Rosanne Dubois, Reporter.

January meetings of the Vimy 4H Needle Club were held in Vimy School on the 12 and 26, with 21 members at the first meeting and 29 at the second.

Activities planned included sleigh rides which were scheduled on Feb. 3 for ages 12 and under and on the evening of Feb. 15 for older members at 7:15. The club thanked Mr. E. Brown for use of a team of horses, and the Vimy Beef Club was invited to participate.

A skating party was arranged for Feb. 23 at the Vimy rink, starting at 7:30

p.m. and it was decided to invite the Ekos Hill Club on this occasion.

On the morning of April 16 the Sewing Club will be taking a city bus tour.

An invitation was received from the Beef Club to attend their skating party Feb. 18 from 7:30 - 11 p.m. and the Bowl and Curling was arranged for Feb. 7 at Westlock Arena, with registration in Westlock at a fee of \$1.

Calahoo residents visited near and far in holidays

By Liz McLeod

Memories linger in the hearts of many who were lucky enough to come together during this past festive season.

Jack and Chris Zacharias and family motored to Saskatchewan to spend the holidays with relatives in Saskatoon.

Theda Verbeek and sister Rose Callihoo decided to go visit their sister Joyce in Calgary before Christmas since Willie Norris was overseas in Germany and England on a business trip.

Emelia Schmermund, Barry and Michael drove into the city to be with Emelia's sister Ruth and Debbie Delaney.

Fred and Madeline Brown had their family around them for the holidays and had a rather unique time through a power failure lasting 10 hours. The only thing to do then was use the candles and lamps and get out the barbecue and gas hotplate to cook the meal.

Ferd and Elsa Lischewski

went to Spruce Grove to spend a happy day with their grandchildren Leah and Trevor at Gordon and Gertie Bergstreiser's new home. They were joined by Herbert and Herta Bergstreiser, paternal grandparents and brother Lloyd and Anita and wee Terry. Elsa and Ferdinand had their children home for a festive treat the following day.

Clara Loyer is always happy to have her children and their families out for a visit and this festive season was no exception. In turn Darrell and Gramma go into the city where they are welcomed wholeheartedly.

Sharon McLeod, now residing and employed in Quesnel, B.C., was so pleased her parents went to be with her and her friends to enjoy 10 days. Leaving by bus on Dec. 22, Pete and Liz enjoyed the trip and were pleasantly surprised to sit beside a nephew of Norman and Hilda Gibbs, James Gibbs from Barrhead, who was going to his parents home in Prince George, B.C. for the holidays. James lives with his sister and brother-

in-law Elaine and Arvid Anderson while attending school in Barrhead. It was a very surprised Kenneth Gibbs when he met his son and saw us there. Its a small world after all.

Arriving in Quesnel at 9:15 p.m. we were met by Sharon and her fiancé, Bernie McKinnon, and whisked out to the farm 20 miles east at the Gravelle Ferry where a neighborly party was in progress at Edie and Bill Moores'. Its not hard to understand why Sharon chooses to live out there after meeting so many wonderful people who are really close to nature and truly neighborly as of old.

Mr. Joseph Freitag was welcomed into his nephew's home during the holidays when Hans and Marianne Lummer came and took him home so that Charles, Andre and Michelle could enjoy Opa, as they call him too.

Mr. and Mrs. Fred Labonte had their sons Edward (Lamarr) and James (Jiggs) and their families home and then Edward and Bernice entertained the family another time.

Vance and Cecile Berry hopped a flight to Vancouver to enjoy night onto three weeks of visiting with relatives and friends there and enroute home. They were only home a short time when Cecile's sister Emma Bell Richard asked her to come and stay with her, so Cecile left for a week's visit again.

Adelard and Melina Paquette enjoyed Christmas at home with their married children's presence, Denise and Brian Brenneis as well as Edmond's friend, Annette Belanger.

Family Allowance

By Stan Schellenberger
M.P. Wetaskiwin

I have received a number of inquiries regarding the recently passed family allowances bill. In today's column, I thought I might take a look at the bill and attempt to clarify some of the contentious points found within it.

The new plan has attempted to suit the convenience of the provincial governments and for this reason it contains some flexibility. Subject to a national minimum, a province will be able to vary the precise amounts paid on behalf of individual children - taking into account age and family size. For example, whereas most provinces have opted for the federal proposal of giving \$20 to every child up to the age of 18; Alberta has decided to distribute the "baby bonus" as follows:

Ages 0 - 6 ... \$15/month
Ages 7 - 11 ... \$19/month
Ages 12-15 ... \$25/month
Ages 16-17 ... \$28/month

The new family allowance is considered taxable income in the hands of the parent who claims child deductions for tax purposes. If both parents have sufficient income to be taxable, it will be at their discretion to decide which parent will claim the deduction for children. Obviously, it is more beneficial for the parent with the higher income to take the family allowance payment into income and claim the child deduction because the amount of the deduction exceeds the amount of the allowance payment with the result that the net taxable income is lower.

The government's stated objective in the new family allowances program is to concentrate the greatest benefits on those families with the lowest incomes. To achieve the objective without the need for an elaborate and costly mechanism to administer payment only to those families that need it most, the government de-

cided to pay the allowances to all families with children but to make it taxable.

By taxing it, all or a large part of the allowance will be a net benefit to those who need it most - the lower income families who do not earn sufficient income to pay taxes, or who are taxed at low marginal rates. On the other hand, families in higher income tax brackets will receive a net benefit that progressively reduces as income rises. Only tax-

payers with very high taxable incomes will have a lower net benefit under the new plan than under the former plan of lower, but not taxable, payments.

My personal feeling, and it is shared by quite a few constituents, is that the new family allowance legislation is a poor way to distribute income. However, for the time being, I am prepared to sit back and see what results as the plan is put into effect.

Mrs. Clara Huot spent 10 days at McKenzie, B.C. with Mr. and Mrs. P. E. Huot.

We wish to welcome in our hamlet Mr. and Mrs. Clarence Musfelt and daughter Ginger.

Mrs. Corinne Sabourin accompanied by her children Paul and Yvette and also Mrs. Rita Cannard spent 10 days in Surrey, B.C. During their trip they attended 50th wedding anniversary celebrations for Mr. and Mrs. Rene Beauchamp and also went to a Vancouver - Toronto NHL game.

Speedy recovery wishes extended to Donna Sabourin who was recently hospitalized.

Sunday services were highlighted by christening services for Rebecca Lee, infant daughter of Mr. and Mrs. Darcy Boert. Happy godparents were Miss Christine Joly and Roger St. Arnaud.

A family gathering was held at the home of Mr. and Mrs. Tony Regimbald on the occasion of Mrs. M. B. St. Arnaud's 90th birthday. Many happy returns.

Inconvenience necessary?

The Editor:

The snow removal crew in certain parts of the Sturgeon area leave a lot to be desired. How many times have people had to shovel their driveways out because the blade on the snowplough was not lifted, while removing snow past driveways? It is very distressing when a person is forced to shovel his or her way out of the driveway, or end up getting stuck there, upon leaving for their job.

The snow that has been pushed on to the driveways is usually hard packed and is difficult to shovel by hand. Elderly people must find it very distressing, since it has

been proven that shovelling heavy snow is deterrent to their health.

People in the Cardiff and surrounding area have had this happen in 1972 and 1973 and were told at a council meeting that this problem would be remedied in the future. It appears that the councillor for this area has not kept his word, as the very same thing is again happening.

Also, the snow has been packed so high near the Cardiff district mailboxes, that people have a difficult time trying to climb over this mound of snow to collect their mail. This may not be too difficult for the younger people, but there are several elderly people who could very easily have an injury trying to climb over this ridge of snow, in collecting their mail. Phone calls about these situations have been

numerous, but so far have been completely ignored. People realize that the snow removal crews are very busy during a winter such as this, but it would be very much appreciated if driveways were left clear of these ridges of snow in the future.

The snow removal crews have done a good job of keeping the roads clear this year, especially with the exceptional amount of snowfall, but this purpose is defeated if driveways are blocked and one cannot get out to the road.

"Come on crew, lets have some co-operation!"

New owners take over MacLeods

By Flo McGinnis

If you wondered why the doors were closed on the Macleods Family Shopping

Centre in Morinville last Monday - it was for the final stocktaking prior to new owners taking over.

After more than seven years of operating the Macleods store, Tom and Denise Houle have sold the business to two well known Morinville couples. The duos of Don and Doris Found and Henry and Lorraine Lamoureux are the new owners.

Both the Founds and the Lamoureuxs have lived in Morinville the better part of their lives, and feel that they are well acquainted with the Town and District needs. Don Found also operates Don's Electric, and will continue to do so for the present. Doris Found has been teaching in Morinville for some years, but looks forward to meeting and serving the people in the store. Henry Lamoureux, previously employed with a firm in Edmonton, will act as manager, while his wife works along with him. Rachel Bouverier will continue to serve as clerk.

At 9 a.m. on Tuesday, February 5, the new owners opened the doors to greet their first customers and head out on the new endeavour. A Grand Opening is planned for the near future

By Flo McGinnis

Some 25 persons attended the Jan. 31 meeting of the Morinville Snowmobile Club and a full slate of officers was elected as follows: President - Bob Craig; vice-president - John Pelletier; secretary - Diane Houle; treasurer - Robert Houle; directors - Bill Emmerzael, Raymond Houle, and Maurice Caron. Mayor Art Stapleton, and Cpl. Howard Lamb (RCMP) were present to fully explain all the details of existing Provincial Laws and Town Bylaws regarding the operation of snowmobiles. Those in attendance felt that it was a very informative meeting with good discussion entered into by all. The club would like to organize a "Family Outing" in the very near future. The next meeting has been set for Thursday, Feb. 14 at 8 p.m. in the Rec. Centre. The executive members would urge that all snowmobilers attend this meeting, with teenagers especially welcome. The Morinville Snowmobile Club hopes to make this a family organization, and therefore all plans will be made with the whole family in mind. Feel free to call one of the executive for further information.

On Saturday, February 2, the local Recreation Board hosted a supper for a group of recreation-minded people who had been on an all-day bus tour of available facilities in the area. Touring facilities in Sturgeon Valley, Villeneuve, Calahoo, Riviere Qui Barre, Alcomdale, Mearns, Legal and Morinville, the group were treated to coffee, lunches, dinner, and the final wind-up supper at the Legion Hall in Morinville. Recreation workers on the tour were from Bon Accord, Namao, Legal, Horse Hills, Riviere Qui Barre, Gibbons, Villeneuve and Morinville. It was quite an eye-opener to the group, just to see exactly what facilities are available and being put

MORINVILLE BOARD of TRADE

Expresses appreciation to Tom and Denise Houle for their years of service to the district as owner/operators of the Macleods Family Shopping Centre in Morinville.

The Board wishes at this time to welcome the new owner/operators - Don and Doris Found and Henry and Lorraine Lamoureux. Welcome to the business community of Morinville, "The Town With A Future."

to good use.

Mr. Firmin Boddez, the 'Oldest Living Teen-ager' celebrated his 73rd birthday on Saturday, February 2. Members of his family who were celebrating along with him tell us that he was in 'fine form'.

Senior Citizens in Morinville will be out at their Valentine Party on Wednesday, February 13. The action begins at 8 p.m. in the Clubhouse, and everyone is welcome. There will be no afternoon card party that day. During the evening there will be prizes for whist and bingo.

Members of the Rendezvous Club entertained the recreation people from the bus tour on Feb. 2. The group was treated to a wine and appetizers prior to their supper wind-up.

Since the weatherman has been so kind to us the last few Wednesdays and Fridays (temp. only) the Tiny-Tots skating group has really had some good turnouts. So far there are 13 families, a total of 19 little ones, who are taking advantage of the opportunity to have ice time with no crowds.

The next meeting of the United Church Ladies Aid will be held on Tuesday, Feb. 19 at the home of Mrs. Linda Pifko, at 8 p.m. If you are a newcomer to Morinville, and would like information on the United Church Services or the United Church Ladies Aid, please call Jean Robinson at 256-3153. All newcomers are welcomed as members or visitors to the Church Services and the Ladies Aid meetings.

Mr. and Mrs. John Cherdarchuk, Jim and Mary Law, of Morinville; Mr. Joe Cher-

adarchuk of Bon Accord; and Mr. and Mrs. Nick Heiniski and Jeanette, of Edmonton all flew out to Nanaimo, B.C. to attend the funeral of Mr. Mike Shewchuk who passed away January 27. Mr. Shewchuk was raised in Morinville, attending Frontenac School, and was well known in the district.

The 'Christian Ladies remind you all that the Wine and Cheese party is being held on Saturday night (Feb. 9th) and that you may obtain tickets from any local business place. Come out and enjoy an evening with your friends and neighbors.

It's only a little more than a month till the Winter Carnival in Morinville and the Figure Skating Club is busy preparing for that big day. Make a note of it.

Mayor Art Stapleton was admitted to Sturgeon General Hospital Monday morning and the community hopes to see him back soon.

BOARD OF TRADE

The Board of Trade regular meeting on Monday, Feb. 4th was well attended again, and everyone enjoyed the guest speaker Mr. Neil Parker. The topic was 'Rec. Fest '74,' and the members were all anxious to hear what the plans are for this three day event.

President Ray Gibeau welcomed new members Marcelle Dupuis and Bob and Elaine Craig, along with some business people who were in attendance after a long absence.

Ross Quinn spoke on behalf of the Sturgeon Central Agricultural Society, asking the support of the Board of Trade in the Ag. Society's efforts toward improving the arena and curling rink set-up in Morinville.

Thank You

To all our friends and customers for their continued support and patronage over the years that we operated the Macleods Family Shopping Centre in Morinville. With much appreciation from
